Ход мероприятия.

1.Организационный момент .
Звучит песня Silent Night

2.Ведущий 1:

I love Christmas for many things
Trees, candles, angel wings.
Stars in the heaven, Snow covered hills,
Little toy trains, Dolls in their frills.

I love Christmas, ribbons of gold,
Familiar carols, so very old.
Sweet candy canes, bright red sleds,
Little ones tucked snug in their beds.
I love Christmas, but most of all
I look forward to a neighbor's call.
A friendly chat, a cup of tea.
Love in the home means Christmas to me

Ведущий 2: Dear children, this poem is devoted to Christmas. Do you remember when it is celebrated. It is a very popular holiday of most English-speaking countries and today we are going to celebrate it by playing a Christmas game. So we have 2 teams. I give you a minute to think over the name of your team, but it should be connected with Christmas. (Christmas stocking, Christmas tree).

1 конкурс : Kids, thank you! Now look please at the word CHRISTMAS. Try to find nouns connected with this holiday that begin from each letter. But the words must be written correctly. (C-carol; H-holy; R- reindeer; I-ice; S-snowman; T – tree; M –mistletoe; A - apple ; S –snowflake). For correct answers you get stickers. Well done, teams!

2 конкурс : Now you'll be detectives and will solve a Christmas tree mystery. Look at your sheets of paper. The most creative solutions win. Please, speculate. One day Mrs. Jones came home and found her Christmas tree lying on the floor. What could have happened? Say what you think happened and act it out. (Puples give their answers: «The baby pulled on the toys/ Someone opened the window and the wind blew it over/ A dog chased up the tree/ Santa tripped over and fell on it»). Thank you for your creative answers and for attentive listening of each other.

Игра. Kids, you know a lot of Christmas games. Now let's play one popular game «Pass the snowflake ». Please, make a circle! Pass the Christmas snowflake from one to another until the music stops. The one who has it makes a Christmas resolution (promise) and leaves the game. (I promise to be very good/not to do anything bad next year/ to listen to my parents...) Good of you, I liked your promises very much! And we see the winner! My congratulations – you are lucky!

3 конкурс : Now let's see who is the best at guessing Christmas riddles. You think individually but your correct answer brings points to your team.

I have in a bag gifts
Caramel, chocolates
Round a fir-tree round dance
What during a holiday?
(New Year)

It's blue by night, By day it's white.
It is cold and not dry,
It falls from the sky.
(**Snow**)

In what month do children talk the least?
(**in February**)

What man cannot live inside the house?
(**Snowman**)

Neither on fire doesn't burn, nor in water doesn't sink.
(**Ice**)

Without hands, without feet, and is able to draw.
(**Frost**)

How clever you are!! And now some difficult riddles.

4 конкурс: I will give you a definition, you try to give only one word, you work in teams. The quickest team will win the competition!

- Something that you give someone on a special occasion (*a gift/present*)
 - A religious song of joy and praise sung at Christmas (*a carol*)
 - A plant with yellowish flowers and white berries that is traditionally used as Christmas decoration (*mistletoe*)
 - A large open vehicle that is usually pulled by a horse over snow or ice (*sledge*)
 - A traditional English dessert made of dried fruit eaten on Christmas day (a pudding)
 - The name of the leading reindeer in Santa sleigh (Rudolph)
- That's nice!

Music Break .

You told me about Rudolph. But have you ever heard a song about him? You are going to listen to the song. Look at the words, some of them are missing. Try to complete the song using words below. First, you work individually, then I'll give you some minutes to compare your answers and make a final variant in your team.

Rudolph, the red-nosed -----,
Had a very shiny-----;
And if you ever saw it.
You would even say it glows.
All of the other reindeer Used to laugh and call him -----,
They never let poor Rudolph Join in any reindeer -----.
Then one foggy Christmas Eve,

Santa came to say: "Rudolph, with your nose so -----,
Won't you guide my sleigh -----?"

Then how the reindeer loved him

As they shouted out with -----:

"Rudolph, the red-nosed reindeer,

You'll go down in -----."

(Отвeты: Nose, reindeer, games, bright, names, tonight, history, glee.)

Let's see what you have (reindeer, nose, names, games, bright, tonight, glee, history... great! Thank you for respecting each other opinions.

Game . All people like decorating a Christmas tree and you? Let's decorate it now together! On the board you see 2 trees. Each member of the team runs to the board and writes the name of any toy on the Christmas ball. The first team to decorate the tree wins. (Варианты ответа детей) The team ... was the quickest!

Подведение итогов

Thank you teams! You were active, friendly and attentive. It is interesting to know our results. It's high time to count your stickers. Well, you have equal number and certainly our friendship wins!! I hope you liked our Christmas game.

Рефлексия

Kids, look at your tables. You have 2 kinds of snowflakes (white and blue) and a sack. If you enjoyed our game and had a real fun, take a white one and put into the sack. If the game didn't impress you much, put a blue one into the sack. (Как правило, при подсчёте позже снежинок учителем преваляют белые снежинки, что говорит об успешности данного внеклассного мероприятия).
